RESIDENTIAL HEAT PUMP WATER HEATER

\$300 REBATE APPLICATION

Effective 1/1/21 -6/30/21 or while funding lasts.

Hawai'i Energy Terms and Conditions

- 1) **Rebates:**
Subject to these Terms and Conditions, Hawai'i Energy ("the Program") will pay rebates for qualifying appliances.
- 2) **Eligibility:**
 - a) An "Applicant" is a residential scheduled account holder of an electric utility on the islands of Hawai'i, Lāna'i, Maui, Moloka'i or O'ahu who contributes to the Public Benefit Fund where the electricity-saving energy efficiency measure has been installed. Rebates are awarded only to an eligible Account Holder. The Account Holder can reassign the rebate payment to another Payee in Step 2. Applicants are ultimately responsible for compliance with these Terms and Conditions.
 - b) "Qualifying Appliances" are those electricity-saving items that are identified in the program applications and associated materials. To qualify for the rebate, the brand and model must be LISTED on the ENERGY STAR® website. A list of qualifying appliances can be found at www.energystar.gov. All equipment must be new, meet Program specification requirements and be fully operable prior to rebate payment.
 - Appliances must be ENERGYSTAR® rated to qualify for a rebate.
 - Heat Pumps must be less than or equal to 55 gallons to qualify (due to updated federal codes and regulations) as of December 1, 2015. The Applicant should size their water heater appropriate to hot water needs.
 - c) Incomplete applications or applications with missing supporting documents will not be processed until the application is complete and has the supporting documents.
 - d) Rebate application must be received within sixty (60) days of purchase date, unless otherwise specified in the application itself.
 - e) Applications for newly constructed homes appliances do not qualify.
 - f) Application for newly purchased home do qualify.
 - g) Each appliance/equipment can receive only one (1) rebate offer and may not be combined with any other Hawai'i Energy rebates or offers, including point-of-purchase discounts.
 - h) Appliance must be installed to receive rebate.
 - i) Appliances with cost that is less than the rebate amount do not qualify for the rebate.
 - j) Applicant is opted in for the residential enewsletters and can opt out at any time.
- 3) **Installation Verification and Data Collection:**
 - a) The Program may conduct an inspection to verify pre-installation conditions or confirm installation prior to rebate payment, at any time after receipt of applications and up to five (5) years after payment of rebates.
 - b) The Applicant must provide reasonable access to the facility, the equipment and related documentation and data.
 - c) The Program may install metering devices on equipment for Program data collection, measurement and verification purposes.
- 4) **Compliance:**
The Applicant is responsible for abiding to all applicable laws, rules, and regulations, and for complying with all federal, state and local codes.
- 5) **Program Availability:**
Payment of rebates is not guaranteed and is subject to the availability of funds. Program availability, Program terms, and equipment eligibility may change without notice at any time at the discretion of the Program. Please see hawaiienergy.com for program updates.
- 6) **Publicity:**
The Program reserves the right to publicize Applicant's participation in the Program for promotional purposes unless the Applicant submits a written request to the Program requesting anonymity.
- 7) **Disclaimers:**
 - a) The Program is not responsible for any tax liability imposed on the Applicant as a result of the payment of rebates.
 - b) The Program does not expressly or implicitly warrant the performance of installed equipment, the quality of any contractor's work, or that the equipment will result in any energy or cost savings. Any questions and/or issues regarding the system and any warranty should be addressed with the manufacturer.
 - c) The Program is not responsible for the proper disposal or recycling of any waste generated as a result of this project.
 - d) The Program does not endorse any particular market provider, manufacturer, product, labor, or system design by offering these rebates.
 - e) The Program does not guarantee that funding will be available for payment of rebates until this application is approved. Submission of the application does not warrant payment under any circumstances should the application not be approved or funding is unavailable.
- 8) **Indemnification and Limits of Liability:**
 - a) Applicant will indemnify, defend, and hold harmless the Program and its administrator Leidos, Inc, and the Program's and State of Hawai'i's agents, contractors, employees, officers and directors from any and all liability, claims, loss, damage, death or injury including reasonable attorneys' fees and costs, arising out of or relating to the field or site inspection, installation, use and maintenance of the equipment, designs, practices or methods involved in the Applicant's project.
 - b) In no event shall either the Program, or any other indemnified party be liable for any punitive, exemplary, special, indirect, incidental or consequential damages (including, but not limited to, lost profits, lost business opportunities, loss of use or equipment down time, and loss of or corruption to data) arising out of or relating to this agreement, regardless of the legal theory under which such damages are sought.
- 9) **Entire Agreement:**
The entire agreement between the Applicant and the Program is composed of an approved, fully-executed application, these Terms and Conditions and, as applicable, pre-installation approval letters, invoices, receipts and any and all such other documentation as required.
