Hawai'i Energy Terms and Conditions

1) Rebates:

Subject to these Terms and Conditions, Hawai'i Energy ("the Program") will pay rebates for qualifying appliances.

2) Eligibility:

a) An "Applicant" is a residential scheduled account holder of an electric utility on the islands of Hawai'i, Lana'i, Maui, Moloka'i or O'ahu who contributes to the Public Benefits Fund where the electricity-saving energy efficiency measure has been installed.

b) "Qualifying Appliances" are those electricity-saving items that are identified in the program applications and associated materials. All equipment must be new, meet Program specification requirements and be fully operable prior to rebate payment.

Table with 4 columns: Unit Capacity by BTU, SEER, EER, Incentive. Rows show various BTU ranges and their corresponding SEER, EER, and Incentive values.

c) The sales receipt must show the brand or manufacturer, model number, serial number, cost per unit, instant rebate and date of installation.

d) Rebate application must be received within thirty (30) of purchase date, unless otherwise specified in the application itself.

e) Applications for newly constructed homes do not qualify.

f) Appliance must be installed and operational to receive rebate.

3) Installation Verification and Data Collection:

- a) The Program may conduct an inspection to verify pre-installation conditions or confirm installation prior to rebate payment...
b) The Program may inspect installations to ensure compliance to the Program's Standards & Specifications...
c) The Applicant must provide reasonable access to the facility, the equipment, and related documentation and data.
d) The Program may install metering devices on equipment for Program data collection, measurement and verification purposes.

4) Compliance:

The Applicant is responsible for abiding to all applicable laws, rules, and regulations, and for complying with all federal, state and local codes.

5) Program Availability:

Payment of rebates is not guaranteed and is subject to the availability of funds. Program availability, Program terms, and equipment eligibility may change without notice at any time at the discretion of the Program.

6) Publicity:

The Program reserves the right to publicize Applicant's participation in the Program for promotional purposes unless the Applicant submits a written request to the Program.

7) Disclaimers:

- a) The Program is not responsible for any tax liability imposed on the Applicant as a result of the payment of any rebate.
b) The Program is not responsible for obtaining any missing information, signatures, invoices or going to the installation site...
c) The Program does not expressly or implicitly warrant the performance of installed equipment...
d) The Program is not responsible for the proper disposal or recycling of any waste generated...
e) The Program does not endorse any particular market provider, trade ally, manufacturer, product, laborer or system design...
f) The Program does not guarantee that funding will be available for payment of rebates until this application has been verified and approved by Hawai'i Energy.

8) Indemnification and Limits of Liability:

- a) Applicant will indemnify, defend, and hold harmless the Program and its administrator Leidos, Inc, and the Program's and State of Hawai'i's agents, contractors, employees, officers and directors from any and all liability, claims, loss, damage, death or injury...
b) In no event shall either the Program, or any other indemnified party be liable for any punitive, exemplary, special, indirect, incidental or consequential damages...

9) Entire Agreement:

The entire agreement between the Applicant and the Program is composed of an approved, fully-executed application, these Terms and Conditions, and, as applicable, attachments to the application and/or worksheet, pre- installation approval letters, invoices, receipts and any and all such other documentation as required by the Program.
