 - f) Applications for newly purchased homes do qualify.
 - g) Fans must be installed and operational to receive rebate.
 - h) Applicant is opted in for the residential newsletters and can opt out at any time.

 - c) The Program may install metering devices on equipment for Program data collection, measurement and verification purposes.

- 7) **Disclaimers:**
 - a) The Program is not responsible for any tax liability imposed on the Applicant as a result of the payment of rebates.
